Scanner is like a "Ship in the Ocean". If you do not have one, you can be drowned.

Scanner is complete in itself. It is like a "Teacher, Philosopher and Guide" for the students.

A machine can not run without a "Main Spring", likewise a student can not proceed without a Scanner.

# Preface

Over the years, the world, world economy and the Indian economy have experienced huge changes. As a result, the Chartered Accountancy Course and its requirements have also been changed. Due to this reason, The Institute of Chartered Accountants of India (ICAI) has made some changes in the CA Course. PE-II/Professional Competence Course (PCC) has been replaced by Integrated Professional Competence Course (IPCC). Some changes have also been made at Final level.

Integrated Professional Competence Course Group-I has been divided into four papers : Accounting; Business Laws, Ethics & Communication; Cost Accounting & Financial Management and Taxation.

Integrated Professional Competence Course Group II has been divided into three papers: Advanced Accounting, Auditing & Assurance and Information Technology & Strategic Management.

Keeping in mind the above changes, your favourite, dependable, time-tested friend "Scanner" has been updated and presented to you in a new shape.

We have compiled chapter-wise questions from last several examinations and provided trend analysis for better insight. We have also included tables and graphs for quick analysis. A comprehensive list of such features is available under the heading "Unique Features" on page no. xiv.

Our editorial board is looking forward for your valuable suggestions to improve the book further.

Best of luck and happy reading.

Arun
